

Notarial Services for Individuals

throughout England and Wales

Our notaries provide professional notarial services to individuals throughout England and Wales. If you need documents notarised for use abroad – whether for work, travel, family matters, or overseas property – we offer a reliable, efficient, and confidential service.

www.notarypublic.co.uk provides you access to notaries throughout England and Wales.

Who We Help

Our notaries regularly assist individuals needing documents notarised for:

- Overseas property transactions
- International employment or relocation
- Immigration and visa applications
- Marriage or civil partnership abroad
- Education and study overseas
- Family and personal legal matters

Common Documents We Notarise

Our notaries can notarise a wide range of personal documents, including:

- Powers of Attorney
- Statutory Declarations
- Affidavits
- Certified copies of passports and ID
- Proof of address documents
- Birth, marriage and death certificates
- Adoption documents
- Parental consent letters for travel
- Academic certificates and transcripts
- Overseas pension or banking documents
- Documents for buying or selling property abroad

Contact us

Legalisation & Apostille

If your documents are being used overseas, you may also require legalisation. We can arrange:

- Apostille certification via the UK Foreign, Commonwealth & Development Office (FCDO)
- Further embassy or consular legalisation where required
